

8 March 2021

Dear Parents/Carers

Re: Year 9 Options

Our Virtual Options Evening this year will all be available [online](#) using this link. Presentations, Assemblies and the Options Booklet are all there for you to work through with your son/daughter as they make their final choices. We appreciate that there may still be some unanswered questions which we would ask that you direct towards our Heads of Department using our [department email addresses](#).

Our Options form is also now available online [here](#), we would ask that students bring a hard copy into school when they return, alternatively mentors will have copies available on Thursday which can be completed at home and then returned by the deadline of Monday 15 March 2021.

Yours faithfully

Mrs C Henly
Deputy Headteacher
