Equality Objectives 2018 - 2020

We aim to be a community where everyone is treated fairly and with respect. We want everyone to reach their potential, and recognise that for some students, extra support is needed to help them to achieve their full potential and be successful.

We take our legal duties on equality seriously. We welcome our general duty under the Equality Act 2010 to eliminate discrimination, to advance equality of opportunity and to foster good relations.

We are required to publish equality information as well as equality objectives, which show how we plan to reduce or remove particular inequalities.

As a school we have set the following objectives:

- To develop further structures within the school that allows ‘student voice’ to be heard and responded to so that students’ perception of inequality can be analysed and addressed.

- To continue to narrow the difference between girls and boys academic outcomes.

- To continue to narrow the difference between non disadvantaged and disadvantaged academic and attendance outcomes
